Highly Reliable & Energy Efficient Lamp

Luminous Solar
LED Lamp
SLL-1235

Why Luminous Solar LED Lamp?

Luminous presents an energy saving high performance portable DC LED Lamp which can directly run on any 12V battery. This 3.5W "Plug n Play" LED light made from high performance SMD LEDs with constant light intensity equivalent to 14W CFL at 1/4th power consumption. Luminous DC LEDs are having more than 50000 hours working life and equipped with low voltage cutoff to protect battery.

Technical Specifications

Product	DC LED Lamp SLL1235
Technology	Constant Current PWM Control
Power Consumption	3.5 W
Input voltage Range	10.8V – 24V
Efficiency	> 85%
Color	White
Light Output	>14W CFL
LED Life	50,000 Hours
Operating Temperature	-10°C to 50°C
Ingress Protection	40
Dimension	140mm X 77mm X 31mm
Weight	100 gms
Protections	Low Battery, Reverse battery, Short Circuit, Over Temperature

Few Ways to Mount

About Luminous

Founded in 1988, Luminous Power Technologies (P) Limited today is a leading company with a differentiated portfolio of solutions for packaged power, diversified generation, electrical control & safety and energy optimisation.

With over 5000+ employees, 8 manufacturing units, 28 sales offices and more than 55,000 channel partners; Luminous apart from its dominating position in the domestic market also has a strong foothold worldwide. Awarded with the 'Global Superbrands' status for the year 2011-12, ISO 50001:2011 certification and MNRE:CRISIL recognition, Luminous is passionately committed to bring uninterrupted and alternate power solutions to the customers that makes their life comfortable and efficient.
